

OTH 891: OCCUPATIONAL THERAPY IN EDUCATION 2

Students will participate in an interdisciplinary education experience with graduate students from various departments within the university. Students enrolled in OTH 890 will select one of the program approved courses offered through the Master of Higher Education (MSHE) department. In addition to meeting the individual MSHE course objectives, post-professional OTD students will apply and adapt course concepts (through assignments and/or relevant activities) to occupational therapy in education. Pre-requisite: OTH 890(Meets with ED 662, 663, or 664).

Credits: 3

Department: Occupational Therapy
