

PTH 835: COMPREHENSIVE OUTCOMES

The comprehensive outcomes course is designed to require the student to review all course content for the didactic portion of the curriculum. This will be followed by practical and written testing to ensure the student has integrated the course content and demonstrates readiness to matriculate to the terminal clinical experiences. Focus will be on safety, content knowledge, psychomotor skills for practice, and appropriate clinical reasoning skills. This course is offered on a pass/fail basis.
