

PAS 530: INTERPROFESSIONAL SEMINAR I

This course provides students with foundational knowledge of concepts and competencies that support effective interprofessional collaboration. Students will participate in an interprofessional learning environment with occupational therapy, physician assistant, and physical therapy students to build skills and attitudes necessary for effective interprofessional practice in contemporary health care. This course is cross-listed with OTH 730 and PTH 730 and is an interprofessional collaborative course.

Credits: 1
