

NUR 501: ORGANIZATION/SYSTEMS LEADERSHIP (O)

This course will begin by exploring governance and ownership models within the health care system. It will also examine the roles, responsibilities, and impact of leaders in the health care industry. Critical skills and behaviors for effective leadership and management, including effective communication and management, consensus and coalition building will be taught. Key elements that impact a leader's ability to create a shared vision and learning culture, lead change, and influence overall effectiveness will be addressed. How to develop and manage diverse professionals, what motivates them, how they are paid, and how to influence them to effect desired change will also be examined.
