

FILM 277: COLLOQUIUM (EXPERIMENTAL)

COLLOQUIUM: Short Narrative and Documentary Filmmaking (Experimental) Students will learn to express themselves visually, both collaboratively and independently, in a variety of short film styles, ranging from creative narrative, experimental art, and engaging, informative documentary. They will experience the preparation of shooting scripts, organizing shooting schedules, arranging for interviews, successfully operating cameras and recording audio in the field and on set. We will collaboratively produce quality original short films of our own design and interests to add to film/art/production/performance portfolios and for exhibit.
