

THEA 212: BEGINNING STANDUP COMEDY (AO)

"An intensive, introductory, semester-long exploration into contemporary stand-up comedy performance, designed to give students of all experience levels a strong foundational knowledge of the history, aesthetic formal properties, and shifting politics of the art form known as "stand-up" comedy--a solo performance form of humorous, non-fictional storytelling. Students enrolled in this hybrid course will be required to write and perform their own original stand-up comedy routines online for a public (but virtual) audience."
