

NUR 882: NURSE ANESTHESIOLOGY PRACTICUM III

This course is the third of the six practicum courses. The practicum course has an emphasis on patient safety, vigilance, evidence-based practice, infection control and providing culturally competent care. Students have the opportunity to participate in the administration of anesthetics for patients requiring all types of anesthetics including pain management procedures and techniques. The student practices in the clinical setting for a minimum of 300 hours.
