

NUR 905: DNP SCHOLARLY PROJECT III

This course is the third in a series of four courses that will guide the students to translate the research into practice by critically appraising and applying available data and research to achieve a better understanding of clinical decision making. The students will use their practice to generate evidence that will serve as parameters in guiding improvements in practice and patient care outcomes. In this course the students will implement their DNP Scholarly Project with the guidance of their scholarly project committee.
