

NUR 907: DNP SCHOLARLY PROJECT IV

This course is the fourth in a series of four courses that will guide the students to translate the research into practice by critically appraising and applying available data and research to achieve a better understanding of clinical decision making. The students will use their practice to generate evidence that will serve as parameters in guiding improvements in practice and patient care outcomes. In this course the students will evaluate project outcomes and disseminate their DNP Scholarly Project.
