

ABA 314: BEHAVIOR ASSESSMENT

This undergraduate course addresses behavior assessment procedures as conducted in the profession of ABA, focusing on skills required for the assessment of clients being considered for, or receiving, behavior analytic services (including service need assessments, ongoing progress assessments, functional analyses, skills assessments, preference assessments, etc.). Students will demonstrate how to utilize and interpret data from such assessments. *Prerequisite: ABA 313 or 513 This course is offered at the GR and UG level; students enrolled in GR level versions of this course will expect more readings and assignments and are held to higher expectations in terms of rigor and magnitude of expected output to demonstrate mastery.

Credits: 3

Prerequisites:

ABA 313 or 513

Department: Applied Behavior Analysis & Autism Studies
