

ABA 588: PRACTICE & EXPERIENTIAL SKILLS

This 45-hour course provides graduate students opportunities to refine skills in professional practice through a combination of didactic instruction and experiential skills-based learning pathways. Special emphasis will be placed on issues related to culture, diversity, equity, and inclusion as well as on core skills relevant to the practice of behavior analysis (e.g., interpersonal skills, documentation, and caseload management). This course is offered at the GR and UG level; students enrolled in GR level versions of this course will expect more readings and assignments and are held to higher expectations in terms of rigor and magnitude of expected output to demonstrate mastery. [graded P/NC]

Credits: 3

Prerequisites:

[ABA 313](#), [ABA 513](#), or [ABA 543](#)

Department: Applied Behavior Analysis & Autism Studies
