

PBTL English as a Second Language

The Post-Baccalaureate Teacher Licensure (PBTL) Program is designed to offer students who already hold an undergraduate degree an efficient and effective avenue to become a licensed teacher by continuing with undergraduate coursework. The program operates within the university's current undergraduate programming structure and is designed to focus on inquiry — the processes by which students and teachers ask questions, study, and learn about the human experience. Depending upon the student's undergraduate coursework, the PBTL program varies in length and content but generally includes courses on pedagogy, classroom field experience, and/or student teaching. The PBTL program utilizes undergraduate coursework to build on a baccalaureate foundation. ***This program does not lead to a certificate or graduate degree.***

The PBTL program is ideal for career-switchers, individuals seeking to enter the teaching profession later in their careers, and individuals who desire to make the most of their undergraduate coursework without earning a master's degree.
