

MAT Middle Education (6-8)

Overview

The Master of Arts in Teaching (MAT) is designed to offer realistic, practical preparation for enriched classroom teaching through a balanced program of liberal arts and professional studies. Courses throughout the program focus on inquiry — the processes by which students and teachers ask questions, study, and learn about the human experience.

Program coursework includes requirements for initial teacher licensure in the area of Middle Education (6–8). To be recommended for teacher licensure and the MAT degree, students must complete all relevant program requirements including all VDOE required content in their endorsement area, pass all relevant assessments, and receive the MAT degree. The MAT program offers close contact with faculty members and advisors and extensive observation and hands-on experience in the classroom.

Practicum Requirement

The practicum experience is designed for MAT students who are preparing to teach as a career. Students have the opportunity to observe and assist teachers in the classroom and to discuss their experiences with the instructor and other students. Students are required to complete 140 clock hours of practicum experience. Through this experience, students become familiar with the dynamic culture of schools and classrooms and their curricula, teaching strategies, and organizational and management features.

Students learn more from the practicum experience if they actively assist in the classroom. The student should confer with the cooperating teacher regarding graduate course assignments to be completed in the practicum and plan how the MAT course assignments can best be accomplished. In the practicum, students work under the supervision of an experienced teacher and begin to apply the knowledge and skills gained in MAT courses in the context of today's classrooms. The practicum requirement also includes completion of a practicum journal, documenting the student's actual time in the classroom (clock hour form) as well as activities and reflections upon the classroom experiences. Students should refer to the "Graduate Practicum Handbook" available on the myMBU School of Education tab for additional information on this requirement.

Requirements

Students are required to maintain a GPA of 3.0 throughout the program and must have earned a minimum of 35 credit hours.

ED 613	REFLECTIVE SYNTHESIS PROJECT	1

VDOE Middle English Endorsement Area Requirements

Minimum of 21 credit hours of English coursework, which must include the following:

- English Composition (3)
- Advanced Composition (3)
- Child/Young Adult Literature (3)
- American Literature (3)
- English Language Linguistics (3)
- Media Literacy (3)
- Interpersonal Communication/Speech (3)
- Virginia State & Local Government (3)
- English Elective (3)

VDOE Middle History and Social Science Endorsement Area Requirements

Minimum of 21 credit hours of History and Social Science coursework, which must include the following:

- US History I or US History II (3)
- World/Western History (3)
- Economics (3)
- American Government (3)
- Virginia State & Local Government (3)
- Geography (3)
- African-American History (3)
- Electives as needed

Additionally:

- English Composition (3)

VDOE Middle Mathematics Endorsement Area Requirements

Minimum of 24 credit hours of Mathematics coursework, which must include the following:

- Algebra (3)
- Geometry (3)
- Probability & Statistics (3)
- Math Applications (3)
- Math Elective (3)
- Math Elective (3)
- Math Elective (3)
- Math Elective (3)

Additionally:

- English Composition (3)
- Virginia State & Local Government (3)

VDOE Middle Science Endorsement Area Requirements

Minimum of 24 credit hours of Science coursework, which must include the following:

- Biology with Lab (4)
- Chemistry with Lab (4)
- Physics with Lab (4)
- Earth & Space Science with Lab (4)
- Science Elective (3)
- Science Elective (3)
- Science Elective (3)

Additionally:

- English Composition (3)
- Virginia State & Local Government (3)

Additional Requirements

- Students must meet the requirements of the *Teacher Education Program - Initial Licensure Levels of Progression*
- To be processed for licensure, students must earn a B- or better in Student Teaching
- No areas of concern on the Professional Qualities and Dispositional Traits evaluation
