

MS 210: ARMY DOCTRINE AND DECISION MAKING

MS 210 focuses on Army doctrine and decision making. The course begins with analytical techniques, creative thinking skills and the Army problem solving process as related to situations faced by leaders when making decisions. Troop leading procedures and operations orders will lead Cadets to an understanding of Army doctrine and symbology. Squad tactics will be covered in classes on Unified Land Operations, offensive operations and defensive operations. Cadets will attend one field training exercise during the semester. Cadets are then required to apply their knowledge outside the classroom in a hands-on performance-oriented environment. No lab associated with this course.
