

PHYS 270: UNDERGRADUATE RESEARCH

Students do original research in accordance with ability and background under the guidance of a member of the faculty. Students are expected to devote 4 hours per week to the project for every credit hour. A written report will be submitted to the department each semester of enrollment. Cannot be used to meet elective course requirements for a major or minor in physics. May be repeated for credit. Total research credit to be used toward an undergraduate degree not to exceed 6 hours.

Credits: 2

Prerequisites:

PHYS 202, consent of instructor and submission of a research contract to the department.

Department: [Physics](#)
