

## SGS 275: TRANS COMMUNITIES (GW)

Students are provided with an opportunity to explore and better understand those identified (by self or by other) with a gender variance outside of the binary constructs of male/female; man/woman. An examination of the history, biology, theory, and psycho-social-cultural ideologies that frame the lives of this subset of gender minorities will guide the student's reading, discussion, and research.

**Credits:** 3

**Department:** Sexuality and Gender
