

SPAN 218: MAY TERM ABROAD (I)

Study Abroad. Students spend the May Term abroad, where they live with native families while attending language and culture classes taught by native professors. With an MBU director, students visit museums and monuments of artistic and historic interest. All travel and other expenses abroad are in addition to the MBU tuition already paid for the semester. Provides a total immersion experience.

Credits: 3

Department: Spanish Language and Hispanic Cultures
