

ABA 734: MASTERS PROJECT EXT 3

This is the third and final of three available 2-semester hour, one-term extension courses for the ABA Masters Project. Students must maintain continuous enrollment in Project extensions until the project is completed and presented to their chair. Students who have not completed their projects by the end of ABA 734 have a grade of NC posted for ABA 632/633 and are withdrawn from the degree program. The student may reapply for readmission to the program, but readmission is not guaranteed. [graded P/NC]
