

## ED 615: GIFTED EDUCATION FIELD EXPERIENCE

For certified teachers seeking an add-on endorsement in Gifted Education, this practicum/field experience includes 45 instructional hours of successful teaching experience with gifted students in a heterogeneously grouped (mixed ability) classroom or a homogeneously grouped /single ability) classroom. Students receive mentored practice in planning, instructing and assessing student learning, developing an understanding of ethical issues and accepted standards of professional behavior. Please see the Requirements for Approval to Student Teach in the Academic Catalog.

NOTE: Must be fully accepted into the Teacher Education Program and meet CAEP requirements in order to register for this course.
