

ED 733: INQUIRY RESEARCH PROJ EXTENSION 2

This is the second extension in the three course extension series attempting to complete ED 632. Students who still need to complete ED 632, after ED 732, must register for ED 733, during all fall and spring semesters following the semester in which ED 732 was taken until they have completed and defended their project. If students plan to work with their project chair or defend their project during the summer, they must also register for one session during summer, after confirming the availability of their project chair. ED 732, 733, 734 will appear on the transcript as Pass/No Credit. The ED 732, 733, 734 series may be taken for a maximum of three semesters. If the student has not defended his or her thesis upon the conclusion of ED 734, the student receives a grade of F for ED 632 and NC for ED 734, and is withdrawn from the program. The student may apply for readmission, but must include a proposal outlining the timeline for completing the project. If the student is readmitted, he or she must begin again by taking ED 632. Offered every term. Fee: per semester hour.
