

HIED 656: INTRO TO HIGHER ED PROFESSIONS INST

Students will be given an opportunity to demonstrate knowledge of the general scope of administrative capacities of an Institution of Higher Education (IHE) and to articulate goals and aspirations for their own involvement in the field, including synthesizing prior related experience, when applicable. This is a one credit hour course, offered in both a fall and spring term in a seven week format and during May term in a 2 week format.

Credits: 1

Department: Higher Education
