

Veterans Administration (VA) Education Benefits Policies

Enrollment certification for VA education benefits is not automatic. Students must submit to the School Certifying Office (SCO) their most recent Certificate of Eligibility or Statement of Benefit. In addition, students must submit a Veteran's Educational Benefit Agreement Form signed by the student, and a current degree audit for each upcoming semester (including the summer) they wish to have their enrollment certified, as their request to be certified. Only programs approved by the State Approving Agency (SSA) are eligible for VA Education benefits.

It is the responsibility of the student to report to the SCO and the VA any course adds, drops, or withdrawals immediately. Changes in enrollment may change eligibility for education benefits and cause the student to have a debt due to overpayment.

If payment of Veterans Education Chapter 31, Chapter 33, or Chapter 35 benefits to the university is delayed, the university will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligation to the institution due to the delayed disbursement funding from the VA under Chapter 31, Chapter 33, or Chapter 35.

If the expected payment to the university from the VA is not sufficient to cover the direct cost billed for a semester by the university, the student is responsible for the amount not covered by the student's Chapter 31, Chapter 33, or Chapter 35 benefit.

Chapter 33 benefits must be coordinated with scholarships or grants that are designated specifically for tuition. Please contact the financial aid office with questions.
