

ABA 516: BEHAVIOR CHANGE PROCEDURES II

This 15-hour course is designed to cover continuing behavior change procedures as conducted in the profession of applied behavior analysis. This class emphasizes the skills from section H (in part) of the Fifth Edition Task List of the Behavior Analysis Certification Board©, building on those addressed in ABA 515. It will focus on using assessment and scientific evidence to guide procedural decision-making, while considering other relevant factors unique to the individual situation and environment. The course will focus on monitoring treatment using data and making subsequent decisions, including collaboration with others in the process.
