

ABA 620: INCLU & AFFRM CLINICAL PRACT

Socially and ethically responsible behavior analysts have a duty to engage in professional practice that prioritizes matters of equity, inclusivity, and cultural humility. In this graduate course, students will engage with readings, experiences, and activities to further equip them to enter the field of ABA with enhanced skills for collaborating with and serving those who have identities, lived experiences, and cultures that represent diverse communities in which they may practice. No pre-requisite. This course is offered at the GR and UG level; students enrolled in GR level versions of this course will expect more readings and assignments and are held to higher expectations in terms of rigor and magnitude of expected output to demonstrate mastery.
