

ABA 632: MASTERS PROJECT I

Students work with their assigned project chair to complete a culminating capstone project for the Master of Science in Applied Behavior Analysis degree. Students will select a research project pathway, identify a research question, develop, and execute a project for investigation. The grade for ABA 632 shall be listed as “not recorded” until completion of ABA or the extension course in which the project is successfully completed; at that time, the final project grade will be posted for both ABA 632 and 633. [graded P/NC].
