

DAN 152: HIP HOP DANCE (P2)

This class is open to all levels, from students who are new to dance to those who are seasoned dancers. In Basic Hip Hop, we integrate early hip hop styles and techniques along with influences from other contemporary dance styles. Through a fun and fast-paced exploration of this now world-wide dance form that started in the Bronx in the 1970s, students will develop a comprehensive vocabulary in different hip hop techniques through which they can develop their own personal style.
